Top 25 KEGG Enrichment Pathways, human_ductal_all
Long−term depression
Axon guidance
Protein digestion and absorption
Hypertrophic cardiomyopathy
Dilated cardiomyopathy
Wnt signaling pathway
Proximal tubule bicarbonate reclamation
cGMP−PKG signaling pathway
Integrin signaling
Focal adhesion
Choline metabolism in cancer
Small cell lung cancer
AGE−RAGE signaling pathway in diabetic complications
Gastric acid secretion
Pancreatic cancer
Bile secretion
Cytoskeleton in muscle cells
IgSF CAM signaling
Pancreatic secretion
Morphine addiction
PI3K−Akt signaling pathway
Pathways in cancer
Human papillomavirus infection
Ras signaling pathway
cAMP signaling pathway
