Top 25 KEGG Enrichment Pathways, ferret_ductal_up
PI3K−Akt signaling pathway
Integrin signaling
Protein digestion and absorption
Bile secretion
Human papillomavirus infection
Focal adhesion
Relaxin signaling pathway
ECM−receptor interaction
Pancreatic secretion
Small cell lung cancer
Apelin signaling pathway
Amoebiasis
Morphine addiction
Arrhythmogenic right ventricular cardiomyopathy
AMPK signaling pathway
Pathways in cancer
Gastric acid secretion
Proximal tubule bicarbonate reclamation
Ras signaling pathway
Oxytocin signaling pathway
ABC transporters
Cytoskeleton in muscle cells
Calcium signaling pathway
Viral carcinogenesis
Cornified envelope formation
